We are so excited to have them as part of the WISE team for the next year. Read below to find out more about them. E.K. will be teaching at the College. Maddie will be helping teach at our new preschool, as well as teaching at the Bible College and overseeing the library.

Everyone calls me E.K. I am 28 years old and from Saint Louis, Mo. In 2007, I graduated from Ozark Christian College with a Bachelor in Biblical Literature. For the past several years I have led a sports ministry. I have had the opportunity to encourage men in the community to grow in their relationship with God and witness first-hand God's work in their lives, all the while playing my favorite sport! I can't express enough how excited my wife and I are to partner with WISE and teach men and woman the word of God! *By E.K.*

I am from Columbia, MO and met my husband, E.K., when I went to college at Ozark Christian College (OCC) in Joplin, MO. I attended OCC for two years and continued my education at the University of Missouri and just received my Masters in Social Work this May...yay! I have taught dance for over five years including tap, jazz and ballet to children of all ages. I would have never imagined I would be moving out of the U.S. but it is truly amazing to see how God has equipped myself and my husband to teach at WISE! *By Maddie*

To the left are some of the team & students from the retreat in St. Vincent put on by the youth from Countryside Christian Church in Pittsburg, KS. The kids really enjoyed the purity, sports, apologetics, art classes, messages, skits, & worship. Thanks so much!

## Jamaica's Huge Gain Again

### His Work

One of the beautiful things about a personal relationship with God is the way in which He touches our lives and changes us, making us His, and not our own. As "His own" one of the things that He asks is that we would be a "fragrance of Christ to God" (2 Cor. 2:15), to show forth the goodness of God to all our fellow men.

It has been a privilege and an honour to have served at W.I.S.E. In working here we have seen ourselves as being partners with Christ in passing on the "Word" which is mighty to save. We have also seen ourselves as your fellow partners in the work of God, laboring in this part of His field. In all our accomplishments we have seen God's hand at work and recognize that it has been by His might and power and not our own.

We take this opportunity to say a big thank you to all those who have supported our ministry over the years. We pray that God will continue to strengthen and establish you in the faith.

Lance and Lisa Brooks

Bro. Lance and Sis Lisa and their family go back to Jamaica with our biggest blessing.

They have prepared for several years to leave now to help their aging parents there. While we know they will help so many there, we will miss all the teaching, nursing, guidance, and love they spread to so many here. Thank you, dear friends.

**WISE will be at the NACC  
at Booth #1919 in Orlando.  
We'd love to connect w/ you.**
