34th Year of Graduates Going Out

A great 2 years of these students intensively studying so hard to go home and make an impact in their home countries for the Lord! We're so proud of their hard work and thankful to all the supporters who helped them!

A Student Testimony

Over dinner one of our students opened up his heart. He talked of running from ministry like Jonah had. He had lots of excuses. He told his family and minister to use his 2 brothers to serve. He said he was just from a small island. He wanted to be a doctor and change lives and make money. He said he'd go, but he wouldn't preach.

And then God changed Him! Money didn't appeal to him any longer. He came to WISE to be a minister to help people. Joinvil is one of our first year students eager to grow his country to love the Lord. Please pray for our 1st years as they take a break while WISE relocates and come back to finish their schooling in a few months.

Prayer & Praises

- *Prayers for our graduates serving all over and their needs to be met.*
- *Prayers for potential students and kickoff of new campus in Jan.*
- *Prayers for closing on the new campus to be finalized.*
- *Prayers for the staff at WISE to continue to let God lead the school.*
- *Prayers for another full-time staff family to join the work here.*
- *Prayers for the move and the moving details.*

A SPECIAL TIME

God brought so many special people together for a special last graduation on the island of St. Vincent. While WISE is so excited to minister in Barbados, it was a unique time to cherish all the ministry moments that happened here.

Sis Jackie Muter was here as past director to talk of the legacy in the past and now in the future. Bro Jeff Robertson came and taught and gave a special charge to the graduates and his wife, Sis Janie taught community sewing classes.

Graduate Daniel Doran's father came from Antigua and Jamaica to give a special address. And Sis Lovely shared a special speech as hardworking Valedictorian. A few of our first years sang a special tribute to the gradutes. And our students were again honored with the Todd Beamer Scholarship with help from Mark Robertson for books to have as resources back home. Congratulations to all our graduates, prek & college!

A WISE Visit

While in the process of moving and waiting on final paperwork, we will be in the States this summer. If your missions team or church would like for us to come and share how WISE is growing, please Contact us. We'd love to connect!

Also, please mark your calendars for January the kickoff and convocation for WISE to begin in Barbados. We welcome graduates, adjuncts, supporters and friends to join us!

Relocating to Barbados

Praise – The school has been registered there and is now a company in Barbados!

Prayer Needs – For Teams in the fall to help ready the campus and for the sellers of the property there to finish their paperwork, so we can finalize and move in.

New To Our Family

Teen mom Chrisandra was baptized into the family! After months of praying through some difficult situations, she chose to follow the Lord!

Please pray for her and her family as she is the first believer in her family.
