Work Teams Help

We just had 3 great teams here to help WISE from Converse Church of Christ in IN, friends from Elizabethtown, KY, Greenwood Christian Church in Canton, Oh, and a team from Oak Hill in Mo. They helped start on the many projects to get the school ready to start in January. See below for future projects to help with

We are still needing groups for this spring or if you aren't able to make it here.....each team has to raise funds for their projects. The staff houses, classrooms, and dorms are in need of flooring, roofs, walls built up, paint, and more. If you would like to help in this way, you can mark your special gift for construction needs to help out!

Prayer & Praises

- *Prayers for our graduates serving all over and their needs to be met.*
- *Prayers for students in transition and for the students in the enrollment process.*

WELCOME TO THE TEAM

WISE is pleased to welcome Andrew Stout as our part-time stateside coordinator! He is no stranger to the WISE team. He has taught classes as an adjunct with WISE, brought his church on a missions trip, led a retreat here, and also serves as a WISE board member.

Andrew and his wife Jenna (Amanda's sister) have formerly been the forwarding agents for WISE. Both graduated from Ozark Christian College and have been serving in local ministry for the last 13 years. Andrew will be a huge blessing to have. As our school grows, our contact with churches and

support we also hope to grow.

He will be able to help where our on the field workers can't. Andrew will be available to speak on behalf of WISE at churches, camps, VBS, Sunday School, missions meetings, etc. He will also help us with our technology and advertising for the school. He will be raising his support as he helps WISE to continue to grow the kingdom throughout the Caribbean.

Please welcome Andrew, his wife, and their 4 kids. If you would like to contact Andrew for a WISE visit please send us a message!

Grand Re-Opening!

Mark your calendars to join us for this special time Jan 7th-11th of 2016 to kick off the new campus! There will be tours, games, dedicating the property, orientation, a local ministry fair, and more!

We will miss Bro. Terry Jones

Dr. Terry Jones, long-time board member for WISE recently passed on from cancer. Bro. Terry provided so much guidance and encouragement to staff, the board, the mission, and the students through the years. We ask you to join us in prayer for his wife Alexis, and his children and grandchildren.
