

Fill the Gas Can!

A Used Truck in St. Vincent costs about \$10,000. This will help transport groups, the growing number of students, and for building errands. Check out our website for a current amount of funds raised. Thank you!

WISE

Windward Islands School of Evangelism

A New Batch of Students

We are entering into our 2nd week of classes here at WISE. Most of the new students flew in, had orientation the next day, and started cooking/cleaning in their new teams. This year marked one of the bigger classes WISE has hosted.

Lectures from teachers and students questions can be heard throughout the morning starting at 7:30am - 12:30. After lunch and throughout the afternoon students are busy studying in groups or alone for their accelerated courses, which often means memory work each day. Then, the bell rings for dinner and plates are loaded with lots of rice, vegetables, and often chicken wings. Lastly, evenings can mean more studying, a game of basketball with the new hoop, devotions, or making new friends.

A huge blessing we got to recently witness was the 2nd year students stepping up and having a leadership meeting to help lead and mentor the incoming freshman from their own initiative to lead. Our 2nd year guys will be leading chapel and preaching this year. And all of our 2nd year students are teaching Sunday School. As we get to watch them teach and lead, we are excited to see how God will use them in churches in the years to come. And we are also excited for the students that have come to WISE this year to learn how to become leaders and encouragers in their churches. Thanks for being a part of this work here!

Starting at the left is our diverse staff: Sis Maddie (instructor), Bro. E.K. (instructor), Sis Claudette from Guyana (kitchen coordinator), Bro. Brice (director/instructor), Sis Angie from Suriname (instructor), & Matthias from Haiti (electronics). Below is Orientation.

Right – Our 2nd year students welcoming the new students.

Above – Big John oversees construction & maintenance w/ Mound City Church.

PRAYERS

- For our graduates and God to provide for their families in ministry
- Staff unity amidst working with 5 different cultures
- New students adjusting to culture, work study, and intense class course.
- 2nd yr. student's leadership & service
- New preschool to reach community families
- Truck campaign (check out our website for more info) to continue to raise funds for mission truck.

Conventions, VBS, & Groups

We wrapped up a great summer of being with people. We love it and want to influence as many as we can to love and live like Christ wherever we are. The summer took us to the North American Christian Convention in Orlando, Florida to connect and catch –up with others ministering around the world. It was a time of encouragement and sharing with supporters.

We were then blessed by Dayspring Christian Church in Colorado coming to put on a VBS for our community kids at the school. We had so many new faces who got to hear God's word in creative, unique ways.

Next up came a group from Mound City, Kansas. It was the first missions trip their church had taken. We were blessed they came here and helped to rebuild a wall and prepare the preschool. They also spoiled our students with homemade cake batter cookies.

Amidst teaching and classes, we also got to briefly attend the youth conference in Barbados. How thrilling it was for us to meet past graduates and see them ministering to the youth in their own congregations! We were also able to share about WISE and pray some of the youth there we will see at WISE one day studying to help assist and one day take the places of their ministers leading and serving in their countries.
