

Growing the Family

Exactly one year ago after discipling John, he was baptized! Amidst a changed life, John started bringing his brother and uncle to church each week. This past month after discipling his uncle, he baptized Uncle Glenroy. We can't wait to see him grow the Kingdom each year!

A First ever for WISE...

WISE has their first student ever from the country of Dominica. This excites us as most of WISE graduates go back to their home country to work in a church or start a new one. Currently, Dominica has no Christian Church. So, we are excited to see this student trained to impact his country.

This year WISE has students from Jamaica, Haiti, St. Vincent, Barbados, and Dominica. Our staff has stayed the same, and we added intern Jackie from the MU Campus House and continue to use visiting adjuncts.
